Facilities

If you require classroom facilities for a training event, meeting or conference - take advantage of our facilities rental services which include: conference rooms, technical or non technical classrooms, break rooms, private outdoor terrace, technical and administrative support staff to coordinate your event.

CLASSROOMS

Our classrooms are fully equipped and can seat up to 35 participants. Each room has the very latest in hardware and software and custom setups are available.

Classroom Features:

- High speed internet connections
- Networked, state-of-the-art equipment
- Technical support on site
- Administrative staff on site for facility coordination
- Wireless Internet Access
- Onsite catering available

PRIVATE OUTDOOR TERRACE

TekSource is the only training centre in Ontario which offers a private outdoor terrace. This is a great place on warm days for our clients to take a break, enjoy the sun, have lunch and network.

INTERNET CAFE LOUNGE

The Lounge is a relaxing area where clients will enjoy using the Internet Cafe; accessing a variety of reading materials, or enjoying the continental snacks and complimentary tea and coffee service. TekSource Corporate Learning has high speed wireless access which is available to all clients for free. Our clients can bring their laptops to keep in touch with work while training, and they can access the internet from anywhere in the Centre.
